Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Vladislav Zhukov, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The two volumes consist of 38 short stories and travel sketches describing Russians and parts of the Soviet Union which up to Kazakov's time (he died in 1982) had been almost untouched by that country's 20th century upheavals. The majority of his settings are the coast and forests adjoining the White Sea, peopled by hunters, fishermen, buoy-keepers, ancient peasants, children in the most halcyon moment of their youth, and among his memorable actors are not excluded even an occasional soul-full dog or bear. Through the eyes of this new array of Russian originals we return to forgotten ways of perceiving the world around us, of appreciating the essential miracle of our lives and surrounding universe extending from the immediate and unremarked pebble or flower, out to the infinitudes of which we are a part. The sense of the two books is topical and universal: the degree of man's involvement in the harmony and natural processes of the world is an essential measure of his moral dignity. That such natural processes included hunting, for instance, is a challenging thought in our environmentally-ideological and conservation-focused times. In the classic style of the Russian short story Kazakov's narratives move at a leisurely pace and often end apparently inconclusively, but they never fail to induce a deeply reflective mood. A few of his tales do have an urban setting, but even those are suffused with a pastoral quality, contributed to by the inescapable presence of the seasonal and climactic envelopment of man's works; and too by nature's mind-borne continuities: a suburban boy repeatedly imagining and remembering episodes in some once-glimpsed corner of Russia's backwoods. Such recollections, and more immediate...
