## THE GUERRILLA GUIDE TO ANIMATION: MAKING ANIMATED FILMS OUTSIDE THE MAINSTREAM

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, The Guerrilla Guide to Animation: Making Animated Films Outside the Mainstream, Walter Santucci, This guide seeks to teach those unable to afford animation training or looking to find an alternate path. "The Guerrilla Guide to Animation" aims to provide the outsider, the anarchist or the rebel guidance into the world of 2D animation. While there are many texts available on animation, the cheats and unconventional methods included here set "The Guerrilla Guide to Animation" apart from the others. By including an instructional and anecdotal section, Santucci gives the reader a DIY guide on everything from using the correct animation terms to setting up your own studio - even by building equipment yourself - and a chance to walk in the shoes of someone who's been there and done that. Provocatively written, the author's experience in directing and teaching makes him the perfect source for all of those would be animators out there. A great combination of in-depth knowledge and years of personal success and failure, "The Guerrilla Guide to Animation" is a unique resource for those who want to do animation their own way.
