Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Everyone knows that there is gold at the end of the rainbow. Few decide that it is a good idea to steal it. Gilly Horner s new children s tale warns readers about becoming greedy. The many inhabitants of the magical land of Big Island teach children lessons about staying true to themselves and helping others. It is a book that will make children giggle, and it will also make them think. The four mischievous hedgehogs-Eenie, Meenie, Miney, and Mo-live on the island with all their many friends. They have lots of fun and many mischievous adventures. The little folk are all the birds and animals, and they live in harmony with the humans. Dooley Badger is a special friend of the hedgehogs. The poultices eventually fall off- they cannot be pulled off, which sometimes annoys the little folk. The island also has a Wishing Wizard who is a bit dizzy and does not always get things right. The wizard grants a wish to one of the little folk, and that is when harmony on the island is disrupted. Some of the badgers get too greedy. The other animals uncover a sinister plot the badgers have cooked up. They re going to steal the gold at the end of the...
