

Language Arts (Paperback)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Juliet Mertz)

LANGUAGE ARTS (PAPERBACK)

Mariner Books, United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. I love Ms. Kallos s work so much. -- Anne Lamott, best-selling author of *Grace (Eventually)* For me, it would be plenty if a novel was deeply felt, utterly absorbing, and full of wit. But in *Language Arts*, Stephanie Kallos goes further, throwing in a doozy of a twist that had me going back to page one to understand how she pulled off such dazzling sleight of hand. An all-around delight. --Maria Semple, author of *Where d You Go, Bernadette?* Charles Marlow teaches his high school English students that language will expand their worlds. But linguistic precision cannot help him connect with his autistic son, his ex-wife, or his college-bound daughter, who has just flown the nest. He s at the end of a road he s traveled on autopilot for years when a series of events forces him to think back on the lifetime of decisions and indecisions that have brought him to this point. With the help of an ambitious art student, an Italian-speaking nun, and the memory of a boy in a white suit who inscribed his childhood with both solace and sorrow, Charles may finally be able to rewrite the script of his life. From the best-selling author of *Broken for You*, *Language Arts* is an affecting tale of love, loss, and language--its powers and its perils. [A] beautifully written, harrowing novel . . . Her vivid descriptions create a cast of memorable characters. She also delivers a huge shocker of a plot twist, one that may send you back to the beginning of the book as you wonder how this development could be possible. -- Seattle Times.
