Haikalis Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Follow John Macklin, caregiver, on a provocative journey as he escapes his U.S. government healthcare job and finds himself in an underground system of altruistic doctors and nurses who provide real medical care rather than the restrictive U.S. version. Beware the evil that also lurks for desperate patients when a medical Black Market emerges. Read the novel that has doctors, nurses and patients saying: Yes, finally a story that appreciates the concerns we have of the future of medical care in America. This is a work of fiction that tells many truths! Black Market Medicine tells of life in the future after all healthcare decisions are made for you by your government. This first time novelist made it to the quarterfinals in the Amazon Breakthrough Novel Contest. Read this engaging story of the average American s future medical care. Concerned about the future of healthcare in the US? Previewed by current healthcare providers as well as attorneys, this novel tells the sad truth about government control of your healthcare decisons with a -can t put it down story.- -Scary and disturbing- says one reader. This fictional story tells the truth about what we all face if the government continues to invade our personal health decisions.
