Kensington Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. For Louisiana Richardson, desperate times call for crazy-like-a-fox measures. As the new librarian at Alligator Bayou Parish s struggling library, she s returning to her Southern roots and facing trouble hotter than fresh cornbread out of the oven. Somehow, she s got to draw readers back in and prove the library is still vital--even as domineering parish board head Mrs. Gunderson plans to shut it down for good. If that means Louise has to resort to some unconventional methods--like outrageous inter-library Zumba classes, and forming a book club that s anything but Oprah-approved--well, it wouldn t be the first time she went out on a limb. . . Soon Louise is doing everything she can to rally the whole community. Before she knows it, she s sparking welcome changes--and uncovering surprising secrets--throughout her new town. And between glasses of sweet tea, bowls of mouth-watering gumbo and the warmth of a tantalizing new love, the newly single Southern mom might find a life she never imagined--and a place to finally call home. Emily Beck Cogburn crafts a novel full of charm, delight and acres of heart about the enduring joys of storytelling and the ways hope can write life s most extraordinary moments.
