

Population Zero (Paperback)

By Wrath James White

Eraserhead Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An intense sadistic tale of how one man will save the world through sterilization. When Todd was just a child, he learned that sometimes it was necessary to sterilize or euthanize animals in order to keep their population from growing too rapidly. It was the humane thing to do, the best thing for the environment. Yet, every day at his job at the Welfare Department, Todd sees the dregs of humanity multiplying unchecked, overburdening the earth with a tidal wave of waste, abuse, and cruelty. But if he can convince them not to reproduce, if he can convince everyone to voluntarily sterilize themselves, then he might just prevent the coming population explosion. And those who can't be convinced. Population Zero is the story of an environmental activist named Todd Hammerstein who is on a mission to save the planet. In just 50 years the population of the planet is expected to double. But not if Todd can help it. From Wrath James White, the celebrated master of sex and splatter, comes a tale of environmentalism, drugs, and genital mutilation.
