*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Synopsis: From London to New York to Ann Arbor, people are gathering in pubs and bars to communicate, connect, and learn from one another over the topic of religion, of all things. Real-life stories gleaned from conversations and encounters during pub theology gatherings, combined with the author's own experience in grappling with these issues, make for an intriguing and enlightening read. Endorsements: Bryan Berghoef has given us the most complete presentation to date of what pub theology is, why it exists, and what it contributes to the lives and faiths of an increasing number of Christians. With his conversationally written and accessible reportage, he has also created something close to a manual for those who want to initiate a pub theology circle or simply find and...
