# Homosexuality, Marriage and Society

By Shimon Cowen

Connor Court Publishing, Australia, 2016. Paperback. Book Condition: New. 210 x 148 mm. Language: N/A. Brand New Book ***** Print on Demand *****.The question of same-sex vs traditional marriage is part of a larger argument - between two world-views of the human being and society - which branches into important subsidiary questions. Is the human being primarily a physical being, whose polymorphous impulses determine changing moral identities - or the possessor of a conscience or soul, with an objective moral template, that arbitrates between impulses? On homosexuality as a variant sexuality with a claim to marriage: does homosexual define a person; or is homosexuality something other than the essence of the person, impacting it from outer physical, psychological or cultural sources? With regard to children and marriage: is love alone sufficient to warrant the creation of children by donor reproduction for same-sex couples; or do children s deepest needs require full biological identity with, and nurture from, their mother and father? As for the homosexual him- or herself: is there a valid choice to struggle with one s own homosexuality; or is that struggle the illusory outcome of internalized homophobia and therapy to change homosexuality should be banned? In its...
