

## Meanings of Work: Considerations for the Twentyfirst Century

Filesize: 2.89 MB

### ***Reviews***

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.*

## MEANINGS OF WORK: CONSIDERATIONS FOR THE TWENTYFIRST CENTURY

[DOWNLOAD PDF](#)

State University of New York Press. Paperback. Book Condition: New. Paperback. 310 pages. Dimensions: 8.9in. x 5.8in. x 0.9in. Meanings of Work examines interconnected cultural, social, and economic dimensions of human work. It provides an innovating interdisciplinary basis for understanding the fast changing patterns of work in a now globally unitary market, increasingly beset with problems such as contingent employment and decline of the middle class. In concentrating on sociocultural considerations of work, the book includes essays from Herbert Applebaum, Marietta L. Baba, Ivar Berg, Judith R. Blau, Amitai Etzioni, Frederick C. Gamst, Walter Goldschmidt, June Nash, and Robert Weiss. The authors discuss the scope, utility, applications, and limitations of historical and contemporary theories, analyses, and ideas about the integration of societies through work organizations and their occupational and other social statuses. Also included are the issues of discontent and satisfaction generated by work; the cultural meanings and myths of work; the exercise of power in work; the decision-making process as affected by emotions and values; the social expectations of work and nonwork, including the distinguishing of work from leisure; and the reactions to and processes of retirement from work. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
