

Robert Ludlum s (TM) the Janson Equation (Paperback)

By Douglas Corleone

Grand Central Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book. To prevent a war in Asia--one that could quickly spread to the rest of the world--Paul Janson and Jessica Kincaid must learn the truth behind a young woman s murder. Prominent U.S. Senator James Wyckoff hires former government agents-turned-private security consultants Janson and Kincaid to locate his teenage son Gregory. Gregory s girlfriend Lynell has been found strangled in a Seoul hotel, and Gregory has fled the city to avoid being arrested for the crime. But Senator Wyckoff insists that his son is innocent, suggesting that Lynell, who was a translator, may have been murdered because of something she overheard at a recent international conference. And when Janson and Kincaid realize they re being hunted by an assassin, they suspect that this crime--and the cover-up--were orchestrated by a shadowy unit of the U.S. State Department as part of a larger plot to provoke violence between North and South Korea.
