

## The Construction Zone: Building Scaffolds for Readers and Writers

By Terry Thompson

Stenhouse Publishers. Paperback. Book Condition: new. BRAND NEW, The Construction Zone: Building Scaffolds for Readers and Writers, Terry Thompson, Instructional scaffolding is an essential part of teaching literacy. But what is scaffolding exactly? What does it look like in a classroom, and how can we improve the ways we use it? Despite its prominence in the repertoire of teaching strategies, scaffolding remains a vague concept for many teachers. In essence, scaffolding is the idea of supporting students as they build independence. In *The Construction Zone*, Terry Thompson identifies four critical processes to deepen your understanding and improve your practice of instructional scaffolding: Finding and maintaining a specific focus Practicing flexibility in planning and delivering instruction Giving constructive feedback in response to student efforts Monitoring to ensure that, in every moment, students are working at optimal levels of responsibility Thompson encourages teachers to enhance their use of the traditional gradual release process through five actionable steps: show, share, support, sustain, and survey, and in doing so provides procedures and techniques to help them establish and maintain strong scaffolds throughout the instructional day. *The Construction Zone* is written from the teacher's perspective and urges educators to fully embrace their role in the...
