Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

(Taylor Medhurst)

NON STOP INERTIA (PAPERBACK)

John Hunt Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. In our culture of short-term work, mobile communications and rolling media it seems we are always on the move; but are we really getting anywhere? Non-Stop Inertia argues that this appearance of restless activity conceals and indeed maintains a deep paralysis of thought and action, and that rather than being unquestionable or inevitable, the environment of personal flexibility and perpetual crisis which we now inhabit is ideologically constructed. Written from inside this system of precarious employment and debt-driven subjectivity, illustrating its arguments with actual examples and using theory to make connections and unlock meanings, the book shows how in our constant anxious pursuit of work and leisure we are running on the spot against a scrolling CGI backdrop. As performative labourers full-time jobseekers, social networkers and consumer-citizens, we are so preoccupied by the business of being ourselves that our real identities are forgotten and our dreams of resistance buried.
