SIMON SCHUSTER, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. When Ronald Reagan took office, he was facing an economic downturn similar to the one our country is currently experiencing. Key members of Reagan s staff prepared an Initial Actions Project, which takes every branch of government, including Congress, into consideration, and offers a clear and concise blueprint of how Reagan s economic policies were achieved. As a model for President Obama, who is dealing with the daunting demands of a nation in turmoil, the significance of this report has never been more timely. History proves that President Reagan s policies led to economic growth; will President Obama overturn this invaluable legacy? Only time-and history-will tell.Featuring a special Introduction by Arthur B. Laffer, who also worked in the Reagan White House, President Ronald Reagan s Initial Actions Project puts the IAP action plan in perspective and provides valuable insight into the most important economic issues of our time.
