

Winning Heart: Dialogs on Happiness and Success (Paperback)

By Tiziano Peccenini

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a manual for living and working in today s world, straight from someone who has succeeded against the odds in founding a multinational company. It takes the form of answers to 101 questions from top university students, company executives, and entrepreneurs in China. By opening up about his own mistakes and failures, Pecce, born Tiziano Peccenini in a small Italian city, makes people feel safe to talk about their own inner fears, hopes, and dreams. In showing how he overcame his own difficulties and offering practical advice on the back of frank admissions and anecdotes from his own journey, he succeeds in conveying his enthusiasm and love for life. Though his audience is predominantly young, Pecce hopes that this is a book that can inspire all generations to see that happiness lies in pursuing one s dreams and overcoming the bumps on the road, seeing life as a beautiful adventure to be lived to the full.
