

The Kingdom of Speech

By Wolfe, Tom

Condition: New. Publisher/Verlag: Random House UK | From the author of The Bonfire of the Vanities, the maestro storyteller and reporter provocatively argues that what we think we know about speech and human evolution is wrong. | ‘A great journalist with a whip-like satirical prose style. Wolfe’s great gift is to make the heavy seem light and this book is such an entertaining polemic that I read it in a day and immediately wanted to read it again.’ - Bryan Appleyard, Sunday Times Tom Wolfe, whose legend began in journalism, takes us on an eye-opening journey through language. The Kingdom of Speech is a paradigm-shifting argument that speech - not evolution - is responsible for humanity’s complex societies and achievements. From Alfred Russel Wallace, the Englishman who beat Darwin to the theory of natural selection but later renounced it, and through the controversial work of modern-day anthropologist Daniel Everett, who defies the current wisdom that language is hard-wired in humans, Wolfe examines the solemn, long-faced, laugh-out-loud zig-zags of Darwinism, old and Neo, and finds it irrelevant here in our Kingdom of Speech. | Format: Paperback | Language/Sprache: english | 160 gr | 198x129x10 mm | 192 pp.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- Mr. Grant Stanton PhD

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).

-- Claire Bartell
