

A Travel Guide to the War of 1812 in the Chesapeake: Eighteen Tours in Maryland, Virginia, and the District of Columbia (Hardback)

Filesize: 8.12 MB

Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

A TRAVEL GUIDE TO THE WAR OF 1812 IN THE CHESAPEAKE: EIGHTEEN TOURS IN MARYLAND, VIRGINIA, AND THE DISTRICT OF COLUMBIA (HARDBACK)

JOHNS HOPKINS UNIVERSITY PRESS, United States, 2011. Hardback. Condition: New. New. Language: English . Brand New Book. Welcome to War of 1812 tidewater country. Here, in the waters and on the shores of the Chesapeake Bay, Americans fought to preserve their recently won independence from the British. Detailing sites from Maryland to Virginia to the District of Columbia, this portable guidebook points readers to the war's most important battlefields and historic places. The book is organized into eighteen tours. Five Historic Route Tours guide enthusiasts down the same roads and past the same buildings that proved critical in the struggle. Thirteen Historic City, Town, and Regional Tours feature key sites in Maryland, Virginia, and the District of Columbia. Visitors can pick a tour and follow the President and First Lady as they fled Washington, D.C., or British troops as they landed at North Point, or the Declaration of Independence as patriots saved it from the invaders. The tours are organized geographically to make trip planning easy. All are accessible by car or on foot; bike and water excursions are also suggested where appropriate. Each tour includes a brief history and information every visitor will need to know, such as the address, phone number, website, parking availability, days and hours of operation, and entrance fees. The guide is richly illustrated throughout, showing many structures that no longer exist and numerous historic sites not visible from public roads. Detailed maps direct visitors to each site. Tourists can step back in time as they travel the same roads and waterways that American and British troops did two centuries ago.
