

Quantum Wellness: A Step-by-step Guide to Health and Happiness

By Kathy Freston

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Quantum Wellness: A Step-by-step Guide to Health and Happiness, Kathy Freston, Quantum Wellness is the idea that you can achieve a significant increase in the health of mind, body and spirit through small focused steps, which will, in turn, yield extraordinary changes in your life. None of us makes perfect choices all the time so, in this "New York Times" bestseller, Kathy Freston shows how small steps regarding how to eat, how to work, how to live in our imperfect bodies and how to stay positive can add up to significant breakthroughs in overall well-being. To do this, Freston advocates setting manageable goals - achieving a little one day a week, then two, then more - and building up to a complete programme that can incorporate all or some of the eight pillars of wellness: meditation, visualisation, fun activities, a diet of whole foods, exercise, helping others, considering yourself and spiritual practise. In combination, these will take perfect care of your mind, body and spirit, raising you to the pinnacle of wellness.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
