Quebec: The Story of Three Sieges (Hardback)

By Stephen Manning

Continuum Publishing Corporation, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. This book chronicles the three very different sieges of Quebec and sheds new light on these pivotal eighteenth-century conflicts. This book is being published to mark the 250th anniversary of the siege of Quebec. But unlike other books on this celebrated event, this account is set against a much wider canvas. The book is divided into three parts: each telling the story of one of the three eighteenth-century sieges of Quebec. There will be illustrations and maps included. By chronicling the events of three very different sieges, across two separate eighteenth-century conflicts, Dr Manning offers an exciting new perspective on events. He does not just concern himself with the celebrated siege by Wolfe in 1759. The importance of Quebec and the role it played during both the Seven Years War and the American War of Independence is fundamental. The geographical position of the city is emphasised to show how the city played such a vital part in eighteenth-century conflicts. The power of the city to draw historical figures such as Benedict Arnold and George Washington is described. The British attached enormous importance to its capture...

Reviews

Very beneficial for all type of folks. It can be rally intriguing throgh studying time. You will like how the writer publish this ebook.
