Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is writter in simple words and phrases rather than difficult to understand. You will not really feel monotony at at any time of your time (that's what catalogs are for relating to in the event you question me).

(Robyn Nolan)

Sasquatch Books. Board book. Book Condition: new. BRAND NEW, Tails Chasing Tails, Matthew Porter, In his new picture book, Etsy indie artist and Monkey World creator Matthew Porter creates a parade of colorful animals that trot, run, and scamper across the pages. A tiger chases a bear, which chases a pig, which chases a fox, and on it goes! To find out who is chasing whom, simply turn the page. Using bold colors and distressed pinewood, Porter creates texture and movement in his artwork. His unique medium puts him in good company with other popular indie illustrators such as Nikki McClure and Kate Endle. "[Matthew Porter is] the undisputed king of the hipster board book genre." --School Library Journal.
