But his own path towards inspiration and incarnation will require an even deeper study of metaphysical philosophy, in a fantasy adventure that will take him across the vast landscape of Texas and into realms beyond what ordinary people see. Our story begins in Costa Rica, where Ray's soul journey has come stuttering to a halt. Pursued by paradoxical dreams and inner demons he can barely bring himself to face, he decides to ask the help of Bruce, a fellow Soul Seeker on the road to the secrets of inspiration and incarnation. Together they set off on a quest for meaning, pondering metaphysical philosophy as they make a last-ditch attempt to find their souls. What is the occult power calling Ray across Texas, and what does it have to do with the spirit guides calling from the shades of his past?.
