Stanford University Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book studies the impact of cultural factors on the course of military innovations. One would expect that countries accustomed to similar technologies would undergo analogous changes in their perception of and approach to warfare. However, the intellectual history of the Revolution in Military Affairs (RMA) in Russia, the US, and Israel indicates the opposite. The US developed technology and weaponry...
