Digital Transformation: Evolving a Digitally Enabled Nigerian Public Service (Paperback)

By Jacobs Edo

Jacobs Edoite Edo, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Digitalization is here to stay. Digitalization is placing unprecedented pressure on organisations and government institutions to evolve. At the present rate, 75 of the SP 500 incumbents would be gone by 2027. That means managing our collective transition to a digitally-driven business model is vital and crucial to our quest for a prosperous nation. And since digital touches so many parts of our lives, society and development, any significant reform program requires coordination of people, processes, and technologies. This transition toward a successful value delivery needs new skills, a holistic vision on growth trends and challenges, and a seamless collaboration between technology and governance. This book therefore defines, justifies and outlines the urgent steps needed for digital transformation in the Nigerian public service. At the heart of this clarion call is the on-going civil service reform, a process which has yet to formulate and implement a comprehensive as well as an integrated strategy to digitise public infrastructure and services - a matter which should be of national urgency. The Nigerian public wants quality services to be delivered faster, better, greener, cheaper, more integrated...
