And that gives them the confidence to go out and hurt themselves. Most of it is conditioned behavior. Its a brainwashing. People hurt themselves every day doing what theyve been trained to think is right. Stupid is normal now. Wouldnt it be better to Think For Yourself This book will give you a more truthful understanding of money. You will make better decisions because reality makes a better foundation. This is not the same prattle you get everywhere else. This is for when you realize those commonly repeated mantras dont work for you. Its your money. Why not step away from the herd Think For Yourself and chart your own course. We do not give you tips to get rich or tricks to get free money. We give you the ability to get wealthy by understanding money and managing it wisely. For example; whats the half-life of a US Dollar Do you think it should impact money decisions How about budgeting Does tracking your expenses work Or would you rather budget more easily and effectively What about investing When you have your answers, you dont need to waste time on those questions again. Answers last a long time. How much more time would you have if you didnt need to think so much about money If thinking about money makes you angry sometimes, good! The game is set up to keep you working hard paying someone elses profits. Getting a little angry helps you reject the game. We use critical thinking to address money questions. Our books help you make better decisions. No one cares more about your money than you. You are your own...
