Read Books, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This vintage book is a complete guide to navigating around the North channel of Lake Huron and Georgian Bay in Ontario, Canada. It was compiled chiefly from the Georgian Bay and North Channel Pilot, and was published by the order of the Minister of Marine and Fisheries in 1895. As well as providing comprehensive directions, the lighthouses, ranges, beacons, buoys, and landmarks are described in detail so that the sailor can be sure of his course while navigating this area. Contents include: Lake Huron--North Channel, Directions West to East, St. Joseph Channel, St. Joseph Channel--Directions for Smaller Vessels, Directions East to West, for Smaller Vessels, Description West to East, South Side of St. Joseph and North Channels--Canoe Point to Chamberlain Point, North Shore Drummond Island, etc. Many old books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, high-quality edition complete with a specially commissioned new introduction on sailing.
