

The Fossil Detectives: Discovering Prehistoric Britain

By Hermione Cockburn, Douglas Palmer

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, The Fossil Detectives: Discovering Prehistoric Britain, Hermione Cockburn, Douglas Palmer, Fossils provide us with a tantalizing glimpse of Britain's prehistoric past and hold the key to unlocking the secrets of life's history and evolution. Since the appearance of primitive organisms in Britain more than a billion years ago, oceans, deserts, swamps and vast mountains have come and gone in our corner of western Europe; forests of long-extinct trees, flowers and grasses have covered the land, and dinosaurs and other strange creatures have roamed across it. How do we know? The evidence is all around us - in the rocks and fossils that lie beneath the landscape. In this highly informative and practical book, which accompanies the BBC series, presenter Hermione Cockburn and renowned palaeontologist Douglas Palmer take an in-depth look at the most exciting fossil stories from around the country. When and why were dinosaur fossils first discovered in Britain? How was the biggest fish ever to have swum in the sea unearthed near Peterborough? What do modern medical techniques have to offer fossil hunters? Packed with colour photographs and illustrations, "Fossil Detectives" is full of surprising facts and features. And for those...
