Brand New Book ***** Print on Demand *****.Description: We tend to use words like miracle and mystery in the context of serendipity. Told in shimmering prose, Hoping for More takes readers on an unsentimental journey through the valley of the shadow of cancer--beyond the predictable parameters of prayer, the church, even belief in life after death. What emerges is a novel approach to talking faith and accepting grace when hope is all you ve got. Thompson s insights are for everyone who has ever struggled with serious illness or loved someone who has, which means that this book is ultimately for everyone. If you have ever wondered, What...
