Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

If genuine genius slumbers in the interrogating youth, at first, indeed, his modesty will prove a stumbling-block, but the courage of true talent will soon animate him to endeavor. If nature has designed him for a creative artist, he studies the human structure beneath the knife of the anatomist, enters the profoundest depths, in order to be true upon the surface, and investigates the whole genus in order to prove his right to the individual. If he is born to be a poet, he watches the humanity in his own breast, in order to comprehend its infinitely changing play upon the wide theatre of the world; he subjects luxuriant fancy to the discipline of taste, and surfs the sober intellect to survey the banks, between which the stream of inspiration is to leap and sparkle. He is well aware that the great increases only from unseemly trifles, and he rears, grain for grain, the wondrous fabric whose single impression now makes us giddy. But if, on the contrary, nature has only stamped him for a dilettante, difficulty cools his lifeless zeal, and he either deserts, if he is modest, a path which self-deception pointed out; or, if he is not, he diminishes the great ideal to the little diameter of his own capacity, since he is not in a condition to enlarge his capacity to the noble proportions of the ideal. The genuine artistic genius, then, is ever to be recognized in...
