MORE BETTER HAPPY: HOW TO GET MORE OF WHAT YOU WANT, HAVE A BETTER LIFE, AND BE HAPPY (PAPERBACK)

Independent Computer Support, Inc, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.You are amazing! You were born with the ability to create all that you desire. The simple truth is that when you control your thoughts, you control your life. If you re not getting the results you desire, chances are good you re letting someone else control your thoughts. In More Better Happy, you will learn where your ability to create comes from, how you ve used it to get where you are, and to whom you have given up control of your thoughts and your life. Rather than looking at creating different results as something difficult, Mark shows you how to get more of what you want, have a better life and be happy using the analogy that life is a game. He takes you step by step through what the game is, how it s played and who you re playing against. He shows you the tricks your opponent uses and the teaches you the skills you need to win the game. Best of all, he shows you how to be happy while playing the game. So, if you re frustrated because your life is not what you imagined it would be; if you re tired of seeing other people get what they want while you struggle just to get by; if you re fed up with wishing things were different and you re ready to take action; read this book and start creating the life you desire and deserve!.
