

Students for a Democratic Society: A Graphic History

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).
(Payton Miller)

Hill and Wang. Paperback. Book Condition: New. Gary Dumm (illustrator). Paperback. 224 pages. Dimensions: 7.9in. x 6.0in. x 0.7in. By the late 1960s, America felt like it was teetering on the edge of a vast transformation. Helping push it over that edge was a brigade of young radicals, the Students for a Democratic Society, who were fighting the establishment for peace abroad and equality at home. In *Students for a Democratic Society: A Graphic History*, the famed graphic novelist Harvey Pekar, the gifted artist Gary Dumm, the renowned historian Paul Buhle, and a marvelous cast of they-were-there contributors illustrate their struggle, bringing to life the tumultuous decade that first defined and then was defined by the men and women who gathered under the SDS banner. *Students for a Democratic Society* captures the idealism and activism that drove a generation of young Americans to believe that even one person's actions can help transform the world. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
