THE THINKING RAT: THE NEW SCIENCE OF ANIMAL LEARNING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For more than a century, the albino rat has been the standard subject in psychological research. Among other reasons, the rat was thought to be the perfect animal model of human behavior due to the presumed simplicity of its behavior, considered to be mechanistically controlled by the environment and, thus, free from the unnecessary complication caused by the influence of...

Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
