Reviews

*I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at any time of the time (that's what catalogues are for about when you request me).

EXPERIENCING AMERICA: THROUGH THE EYES OF VISITING FULBRIGHT SCHOLARS: STORIES OF FOREIGN FULBRIGHTERS IN THE UNITED STATES (PAPERBACK)

AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.These stories of foreign Fulbrighter in the United States, Experiencing America: Through the Eyes of Visiting Fulbright Scholars give the reader a firsthand account of the value of the international education exchange program. Each story is unique and personal, describing different impressions and values. ~Harriet Mayor Fulbright Since its establishment, nearly 300,000 people have been Fulbright Scholars. Hundreds of thousands of others have served as local hosts to these visitors, helping them adapt to a new culture, providing space for research and scholarship, and building bridges between the different societies. In turn, these scholars and their hosts have influenced the entire world, through their teachings, their research, and their discoveries. This year (2006) is the 60th Anniversary of the Fulbright Exchange Program, and a few of their stories have been gathered for this collection of essays. All of the contributors are grantees who came to the United States from other countries, some for the first time. The stories of these citizen ambassadors may be humorous or heart-wrenching, but they are all true. ~Eric S. Howard.
