Aristides Priakos, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a powerful study of self. Does your mind sometimes work against you or even torment you? Do you get frantic at times and have a meltdown? Do you have a dogged determination to eliminate your fears and anxieties but don t know where to start? Are certain things a crisis for you? From a twenty-year passionate journey observing and helping people from all walks of life, Aristides will help you make a quick transformation by applying the seven principles in his book. Learn how you have unknowingly trained your brain for failure and what you can do to conquer your fears to think and act like a champion today The easiest method to use your memories to be one of your greatest assets What is The Emotional Kill Cycle and learn how to annihilate everything negative in your life forever Learn about your target bulls-eye and discover how to combat your inner conflicts and concentrate on your greatest desires Stop terrifying yourself and learn how to love you better What to do if you are stuck in a certain area of your life Unlock the mystery of how to break bad habits and what you need to do to stop floundering around. This book is perfectly tailored with the person in mind that is on their journey of self-discovery and those that may not grasp their own true potential and desire more out of their lives. Ari will keep you riveted with his honed wit and masterful storytelling from many of his own life experiences. It is jammed packed with his nuggets of wisdom. If you want to be equipped with the right mind tools to sharpen your mental...
