By Rachel A. Dinunzio

Studio RADish Press. Paperback. Condition: New. Rachel A. Dinunzio (illustrator). 44 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Whether it is with learning, socializing, sports, or just plain fitting in: kids come in all shapes and sizes, and everyone goes through their share of troubles. It just takes the will to tackle these troubles to come out on the other side. This is how Forsynthia Fits In was created. Forsynthia is a combination of every little one in my life as well as my childhood memories and experiences. Having a role model like Forsynthia, who explores the unfamiliar territories that seem frightening to elementary-school-age children, could be just what the doctor ordered like having a security blanket or an imaginary friend (who might not be so imaginary in this case). - BUFFALO RISING MEDIA These books are as much fun to write as they are to illustrate! DiNunzio says, Having a green dragon with purple spots as your main character, allows every little one to connect and relate to her. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
