

## Spiritual Law In The Natural World

---

By Emma Curtis Hopkins

ECH Theological Association, Incorporated. Paperback. Book Condition: New. Paperback. 238 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. This is a reprint of a book that was originally written in 1893. It is a book by Emma Curtis Hopkins and Eleve (H. M. Stowe). In doing some further research, I have found that the content of this book was from some of Emma Curtis Hopkins lesson plans. Eleve meaning student in french, I believe, put the lessons together in this wonderful book. Emma Curtis Hopkins was born on September 2, 1849 and made her transition on April 8, 1925. She was considered the teacher of teachers, of the new thought movement. I have changed the book slightly, by adding an introduction from Rev. Natalie R. Jean, a photo of Mrs. Hopkins, and notes pages. This is a book of study. I made sure to put enough space, so that you can really work out your thoughts. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.*

*-- Jada Franecki II*

*Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).*

*-- Izaiah Schowalter*
