SIMON SCHUSTER, United States, 2014. Paperback. Book Condition: New. Reprint. 212 x 138 mm. Language: English . Brand New Book. Laugh-out-loud, no-nonsense relationship advice from Loni Love--comedian and co-host of The Real on Fox and BET--reminding women that putting yourself first is the path toward lasting love. A regular panelist on E! s top-rated Chelsea Lately and a staple on Dr. Drew s Loveline, audiences first fell in love with Loni for her relatable brand of social commentary and unique take on love, sex, and dating. Now as co-host of the new daytime talk show The Real, Loni doles out romantic advice to an audience of millions every day. Love Him or Leave Him, But Don t Get Stuck with the Tab offers down-to-earth wisdom and guidance for single girls, girlfriends, wives, baby mamas, and the chick on the side (because she needs advice, too). In a fun QA format complete with hilarious been there-done that tales, Loni delivers answers to women s most pressing relationship questions--about love, sex, fidelity, finances, in-laws, and everything in between. In the end, she says, you may stick with him, you may bail out, but don t ever be left stuck with the tab, or letting yourself be taken advantage of. Her message is consistent throughout: If women make themselves the priority, everything else will fall into place. It s something I think women need to hear over and over again, she says. Like multiple orgasms.
