

The American Encyclopedia and Dictionary of Ophthalmology (Classic Reprint) (Paperback)

By Casey A Wood

Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The American Encyclopedia and Dictionary of Ophthalmology In adopting the strictly alphabetical sequence of subject-headings it has been necessary to review for the first volume practically the whole range of the literature of Ophthalmology and its related sciences. It will, as a consequence, easily be understood how difficult it has been to collect and treat with complete satisfaction all the subjects commencing with the first letter of the alphabet, that directly and indirectly relate to the eye and its diseases. However, it is the belief of the Editor and his collaborators that no topic of importance has been neglected. When a heading that quite evidently should have been noticed has been omitted or, more likely, if new topics of interest arise after the publication of the volume to which they belong, alphabetically, they will receive due attention in the appendix. In addition to the attempt to write and edit a comprehensive Encyclopedia of Ophthalmology the Editor has made an effort to combine with it a Dictionary of such English, Latin, French, German and Italian words and phrases as will be most useful...
