America's most trusted Dad™ answers these questions and hundreds more in this attractive slipcased set including *Fathering Your Toddler: A Dad's Guide to the Second and Third Years* and *Fathering Your School-Age Child: A Dad's Guide to the Wonder Years: 3 to 9*. Both books are illustrated throughout with delightful New Yorker-style cartoons that underscore the joys and woes of parenting. In each section he outlines the physical, intellectual, emotional, and social changes the child is going through, and examines the emotional and psychological development the father may be experiencing. He also discusses issues that develop between Dad and Mom, as well as matters that involve the whole family. All chapters contain an activities section called *You and Your Child*, in which exercises and issues appropriate to the given age are discussed. Other topics cover the latest research on child development, including brain growth and the use of computers and other technology. Both books include ample advice for dads who are older, single, divorced, in the military, stepfathers, and stay-at-home dads.
