Running a successful business is tiring; Philip decides that after twenty years it s time for a break. But he loves to look after his staff. Deciding to close the place for one week will cost a considerable sum of money, as will paying for all of them to go on a company vacation. But it may cost him more than he thinks. His secretary Faye has only been with him for six months. She is smart, beautiful and young. She is also exceptionally good at keep him organized and taking care of all the details; but only once they are on the plane do they realize there could be more to this than just an employee / employer relationship. Upon arrival in Tenerife, the boundaries are gently explored; add a little drink and a great first evening, and it doesn t take long for the bed to call. As usual, the next day brings sobering realities and difficult decisions. Faye is much...
