Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The New Mosaic, 1905 As this is the second volume of the New Mosaic, perhaps it would be well to explain the name. Several years ago it was the custom for each graduating class to publish a book entitled the Mosaic, because it was made up of a number of distinct pieces. Later the custom was changed, and each class presented a class-play. Last year the book was again published under the new title which this volume bears. Of course we think that our volume is better than any other, and we challenge the Juniors to improve on ours. We have received the hearty co-operation of teachers and class mates, and have gained profit and pleasure from the experience, in spite of its cares and responsibilities, so we should recommend the Juniors to accept our challenge, relying for aid and encouragement on the class of 05. We are extremely grateful to Miss Dodge for the signal favor she has conferred upon the class by giving us her photograph for the book.
