Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do You Want To Pass Your PMP(R) Exam? The Project Management Professional certification from PMI is one of the world's premium certifications. It is trusted around the world. And there is a good reason. The exam is very, very difficult to pass. The Critical Path Method or CPM is a critical tool for project managers to know. And your ability to use it will be tested several times during the exam. The problem is that most people use automated tools to do the calculations. They've forgotten how to do it manually. CPM isn't hard to do. All it takes is practice. But getting the examples to practice on has been difficult. Until now! This book contains 50 examples for you to work through. It guides you on a journey from simple to very complex. And it tests your ability to manipulate CPM charts in multiple ways. By the time you finish this book, you'll never worry about CPM again!.
