

Bearded Lady

By Mara Altman

BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Mara Altman, author of the bestselling Kindle Single Sparkle, returns to top comic form to address the problem every woman faces but no woman wants to acknowledge: facial and body hair. Her brave, witty memoir gives listeners a rare, honest glimpse into the hidden world of lasers and razors. It begins in childhood, when Altman discovers that hair sometimes grows in unexpected places - and that it's best to remove it immediately, or risk ridicule from 8th-grade girls. It continues into early adulthood, when romantically inclined men make offhand remarks about her fine coating of fur. From there it's a hilarious, heartfelt journey from Barcelona to Bangkok in search of a cure, an explanation, and the perfect pair of tweezers.
