Interfaces between Religion and Empire in Robinson Crusoe

By Martin Eder

GRIN Verlag GmbH Sep 2014, 2014. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2011 in the subject English Language and Literature Studies - Culture and Applied Geography, grade: 1,6, University of Passau, language: English, abstract: This term paper deals with the representation of religion in general and especially the religious development of the protagonist in the novel Robinson Crusoe by Daniel Defoe. Therefore different phases of the relationship to God and religion will be illustrated and compared with in the following elaborations. Moreover, the role of religion within the Empire and the way it is represented in the medium of the novel is another aspect that will be discussed. The importance of the role of religion in the novel is, as many other aspects as well and the novel as a whole, not only considerable for the reader of Defoe's time, but is also valid nowadays and therefore timeless. As Robinson Crusoe is told [] with a religious application of events to the uses to which wise men always apply them, viz. to the instruction of others by this example, and to...
