Dover Publications Inc., United States, 1978. Paperback. Condition: New. Language: English . Brand New Book. Imagine you were carried over the rainbow to the land of Oz. Could you help Dorothy and Toto find their way to the Emerald City without being captured by the Wicked Witch of the West? Or imagine you were with Robin Hood, living in Sherwood Forest. Could you lead him and his merry band of men to the castle where the beautiful Maid Marian is held prisoner? This book combines the thrills of the world s best-loved stories and legends with the kind of fun and challenging mazes all children love. With this book of mazes you can share the exciting escapades of your favorite characters. Show Prince Charming where Sleeping Beauty lies; lead Jason and the brave Argonauts to the magical golden fleece; help Tom Thumb and his brothers find their way out of the Black Forest; search for the Mad Hatter with Alice in Wonderland; escape from the Indian camp with Daniel Boone. There are 23 stories in all, adapted especially for this book, and every story has its own full-page maze and special decorative border. At the end of each story are instructions for the maze; at the end of the book are solutions showing the shortest possible route for each maze (though there can be more than one solution). And all the mazes and borders can be colored any way you like.
