iUniverse, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Thousands of years ago, Lord Devi, one of three rulers of the Underworld, became greedy and tried to gain control. A battle ensued; Grim the Reaper was victorious and imprisoned Lori Devi for eternity. That is until Kitti, a three-foot, eleven-inch bunny, unwittingly releases the demon while on a school field trip to the Museum of Boring Artifacts. As the three-horned Lord Devi emerges from a red and black tomb shrouded in chains, Grim the Reaper, Kitti's adoptive father, battles the demon once again. Grim loses his grip and is sucked through a portal. Lord Devi declares victory and disappears. Kitti, also known as Death Bunny, vows to rescue his father and defeat Lord Devi. Kitti is aided in his quest by a host of quirky characters. There's Pandy, the fudge-loving panda bear; Zorg-10, a ten-foot robotic creature; Kurri, a giant caterpillar who undergoes metamorphosis; and Zom B. Me and Zom B. She, two zombie skeletons. Together they battle a malevolent bounty hunter, armies of demons, and a giant dragon monster. Will this band of faithful fighters overcome evil, return peace to the Underworld and reunite Kitti with his father?.
