Lulu.com, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My hearts desire for this book is to create a stir in the hearts of people who are not serving up to their full potential or who have stopped serving altogether. There are so many people who have laid their gifts to the side because of fear, inward struggles, acceptance, or being offended just to name a few. People who are multi-talented and can serve in many ways but have other issues that conflict with the assignment that is in their heart. It speaks to the rewards of serving. How lives can be changed, people can be healed, delivered and set free. All of this happens when you release yourself to be used of God to serve! You may not know your exact purpose but I can tell you without reservation that whatever you have been gifted to do you have been gifted to use that gift to serve others! Jesus says in Matthew 20:28 that the Son of man came not to be served but to serve, and to give His life a ransom for many . So I encourage you to prayerfully read this book and let the servant in you shine through!.
