Logosynthesis - Healing with Words: A Handbook for the Helping Professions with a Preface by Dr. Fred Gallo

By Willem Lammers

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 240 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. If you are a coach, a counsellor or a psychotherapist, you have probably adopted a wide range of approaches to help clients solve their problems and achieve their goals. Often though, the path to healing is long and arduous, for the client as well as for the helper. It requires patience and persistence from the professional and frankly, this path can be frustrating. This may be the time to add Logosynthesis to your toolbox a highly efficient, elegant yet easy to apply system for your daily practice. An evolutionary step ahead in therapy with strong foundations in TA, hypnotherapy, depth psychology, NLP, Gestalt and Energy Psychology, helping you to address directly the pains in your clients life while having an immediate effect on their well-being. Logosynthesis Healing with Words is a comprehensive and well-written handbook for counsellors, coaches and therapists outlining how to use this fascinating new approach to guided change to produce transformative changes for yourself and your clients. Innovative, user-friendly, and deceptively simple, Logosynthesis uses the power of words to create powerful personal changes. The method empowers ordinary...
