MIME MUSINGS (PAPERBACK)**DOWNLOAD**

iUniverse, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Having been raised in a small town in the Panhandle of Oklahoma, I had a very narrow vision of life and of the world. There were so many questions that I did not know that I needed to ask. I remember driving down the red brick paved main street wondering is this really all there is. So, I left. Mime Musings is a look into the search for and finding of a great big, colorful, magical world. These poems are part love, part revolution, part emotion served up with a heaping helping of mental madness. The illustrations are an attempt to capture the images that the words paint in line, space, and order. All the characters are real even the ones that have been created from bits and pieces of this person then the other. All who have come to live within the pages and verses of this book. Mime Musings is the findings that has resulted from a search for a vision of a world painted with the strokes of a very wide brush. Mime Musings begins with the poem Lives and ends with the poem Circles. Inbetween you will find a lot of yourself within these verses and images that come off the pages of this book. It is possible, that you will recall visions from your own journey. And yes, the search continues. Enjoy!!!.
