Pages: 162 Language: Chinese in Publisher: Higher Education Press. Xiling Seal Press Lacquer Seal Carving: Let seal cutting toward the public concept. in fact. gone through a long process . This process. as I love seal cutting from learning seal carving. I began learning the seal cutting. but also to find a joie de vivre. However. I am in the process of learning. not only deepen understanding of the carving art aesthetic connotation. and also to deepen the understanding of the significance of the development and evolution of Chinese characters. and the superiority of the Chinese characters and traditional Chinese cultural heritage development. Especially in the era of the widespread use of computers. while deepening a sense of the kanji heritage crisis. but also the germination of this idea: how to evoke interest in the culture of Chinese characters by two Chinese characters based art of calligraphy and seal cutting. and love. to promote Chinese culture and heritage and development. In this regard. the promotion of the art of calligraphy relatively easy carving art promotion is more difficult. therefore. seal cutting practice. I've been thinking about how to make the seal carving niche art literate person interested in gradually the public. so gradually produce the the Lacquer Seal Carving: seal carving to the mass philosophy.
