

Fragile: The True Story of My Lifelong Battle With Anorexia

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

FRAGILE: THE TRUE STORY OF MY LIFELONG BATTLE WITH ANOREXIA

John Blake Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Fragile: The True Story of My Lifelong Battle With Anorexia, Nikki Grahame, Say the name Nikki Grahame and most people will remember the bubbly, highly strung and hugely entertaining Big Brother 7 contestant. Since leaving the Big Brother house, she has forged a successful career for herself in presenting and writing. Yet Nikki isn't just another reality television contestant and her life story is not like any other you will ever read. From the age of eight until she was nineteen. Nikki battled anorexia nervosa but few cases have been quite as extreme as hers. Aged just eight and weighing just under three stone, Nikki was diagnosed as anorexic. For the next eight years, she was in and out of institutions - eleven in total - during which time she attempted suicide twice and had to be sedated up to four times a day so that she could be force-fed. At one point, she was sedated for fourteen days while doctors sewed a tube into her stomach, through which she was fed to get her weight out of the critical range. The lengths that she went to in order to avoid eating and find ways to exercise excessively shocked doctors who have worked in the field for years. As Nikki says, 'I've always wanted to be the best at everything I do, so I had to be the best anorexic - and I was.' With searing honesty, Nikki recounts her long and painful road to recovery, how she has had to come to terms with the long-term ramification of her illness, how she coped with being in the Big Brother house and how she uses her new-found fame to promote awareness of eating disorders and to help those who are...
